## MISSION STATEMENT

### ISEP'S Mission

- To identify and acknowledge the special events industry and to provide a voice that will educate the community as a whole
- To promote the exchange of common ideas, challenges and share solutions
- To provide networking opportunities that will encourage referral relationships among members
- To provide members with educational programs and resources, relating to business and the special events industry

### ISEP'S BENEFITS INCLUDE

Complimentary web listing and link, quarterly meetings and newsletter, and discounts from associate members

## President's Message

Twelve years ago I began my journey in the wedding and special event industry. I am now expanding with ISEP. I am very excited to watch this organization grow, meet new people in the industry and help provide local event professionals with educational resources and networking opportunities. ISEP will help build business and create long lasting relationships with fellow professionals. As we kick-off our first year, I am dedicated to listening to all of our members to assure we create an association that is beneficial for all that are involved. Our first event is scheduled for January 20, 2006 at the Boise Art Museum. We are starting out the evening at 6:00

pm, and will have entertainment, cocktails, Hors d' Oeuvres, and networking with old friends and new. At 7:00 pm, we will gather for our advisory board introductions and Mission Statement. This will be followed by our Sponsor Thank you's and facility tour. At 7:30 pm, we will resume our celebration and entertainment. You will have the opportunity to meet others in the industry that you have been meaning to connect with. Get ready for a fun-filled evening as we kick-off Idaho Special Events Professionals! I am looking forward to seeing you there,

**Vanessa Thompson, President**

## About The Association

Our meetings offer programs of educational significance and we award a scholarship annually which may be applied toward attending a conference, taking a class or purchasing software to further enhance your career. Our Quarterly newsletter informs members of upcoming industry trade shows, industry develop-

ments, news about our members, our upcoming meetings and articles that can help each of us in our dealings with customers, employees, and each other. We look forward to your involvement with ISEP. If you have any questions, please do not hesitate to call an advisory board member.
